We are committed to giving every Scout an opportunity to attend our camps regardless of their financial situation.

Nanuk Lodge Campership Scholarship

Funds are raised specifically to achieve this goal, but it is a finite amount and we divide funds according to the fairest distribution possible. In addition to these funds, some Districts and Units have money specifically earmarked to also aid families seeking assistance with camp fees that we encourage you to look into if needed.

If you feel the process and funds awarded did not accurately represent your financial situation you may appeal to the Nanuk Lodge Adviser, for a review and additional monies.

PLEASE READ INSTRUCTIONS BELOW

INSTRUCTIONS TO PARENTS OR GUARDIANS APPLYING FOR CAMPERSHIPS.

When you have completed the application, mail it to Great Alaska Council, Boy Scouts of America, at address shown below. Your application is confidential.

After your child has attended camp we request a letter from each boy telling us of their experience and the benefits they received from attending camp. This letter will be given to the supporters of the Campership program thanking them for their generous donation and how it benefited the youth who attended.

Yours in Scouting,
Nanuk Lodge Campership Review Committee
